

M221L

ENTRY LEVEL KEYBOARD WITH 61 "TOUCH RESPONSE" KEYS WITH LED LIGHTING SYSTEM IN EACH KEY FOR LEARNING.

M221L is a compact instrument in size but it is equipped with functions and playability for any aspiring musicians. It comes with 580 stereo sampled voices and 200 preset styles in various music genres which allows you to play any music with a full band backing. The Keyboard touch response enables expressive performance by reflecting the differences and nuances of every touch. It also comes with 10 reverb and 8 chorus so you can adjust parameter for both ambience and special effect according to your liking. Having an arpeggiator is particularly entertaining where you will play one note and a beautiful phrase will be automatically formed. The LED light in the keys will indicate the correct notes to play according the part selected in one of the built in 155 songs. You can also connect a MIDI compatible piano learning App from your mobile device to the keyboard via USB cable and Apple camera kit. Learning to play the keyboard is now very easy.
