

0990422920 SATIN ROASTED MAPLE STRATOCASTER® LH NECK, 22 JUMBO FRETS, 12", MAPLE, FLAT OVAL SHAPE

There's no denying the allure of a roasted maple neck. Resistant to humidity shifts and featuring a gorgeous, dark look, they have more sustain and add a unique note to the instrument's voice.

This genuine left-handed Fender Stratocaster neck is crafted at our Ensenada, Mexico manufacturing facility. Featuring a comfortable "Flat Oval"-shaped profile and 12"-radius maple fingerboard with 22 jumbo frets, this neck was designed for pure speed and comfort. Upgraded features include a satin urethane finish and rolled fingerboard edges for supreme comfort and a broken in feel.

This replacement neck is for a Fender® or Squier® by Fender guitar.

Because Fender genuine replacement necks have not been mounted to guitar bodies, nut slots must be cut by qualified personnel. Other installation processes may be required, such as fret work, fitting the neck to the neck pocket, and other instrument setup procedures. Your local FMIC Authorized Service Center can install genuine replacement necks; find Authorized Service Center locations near you in the "Support" section of fender.com.
