

DD221

PORTABLE DRUM KIT WITH 7 TOUCH-SENSITIVE PADS AND 2 PEDALS

The Medeli DD221 portable electronic drum kit, equipped with 7 touch-sensitive pads, a Hi-Hat pedal and a bass drum pedal, offers all the functions of a full-size drum.

Rubber pads provide more durable impact characteristics and reduce internal noise.

DD221 has 273 sounds including high-quality drums, acoustic percussion, and expressive electronic sounds from around the world.

The numerous sounds, 45 drum kits and 100 preset songs allow the drummer to play and have fun with various musical genres.

Thanks to the Aux input, you can connect external devices such as MP3 players or smartphones and play with your favorite music.

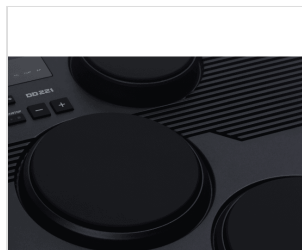

The USB-MIDI input allows you to expand the range of available sounds using your favorite software.

Given the many functions available, the DD221 electronic drum kit is perfect for both practice and study.
