AK603
# ARRANGER/WORKSTATION KEYBOARD WITH 61 TOUCH RESPONSE KEYS

AK603 is a keyboard that raises the standards of content and performance in the mid-range keyboard segment by including all the features and musical experiences from the flagship AKX10 model.

The very rich cabinet design, the loudspeaker power, the latest generation audio engine and effects make the AK603 a powerful musical instrument capable of offering all the features and specifications useful for professional and semi-professional users.

The main piano sound is MEDELI's exclusive German Grand.

AK603 has a highly expressive quality keyboard and thanks to the Grand Suite editing software you can expand the performance and manage the instrument effectively.

The new Phrase Pad and Break functions provide new creative insights to delight keyboard players.
