MOTÖRHEAD ALBUM ART PICKS

Motörhead married punk speed & metal volume before any one else even considered such a union. The band's unflinching dedication to music, fans & life on the road is an ode to the soul of rock 'n' roll. Never give up, never sell out. Motörhead relies on Dunlop picks to help craft their hard-charging signature sound. These pick tins contain six .73 Tortex Picks emblazoned with iconic Motörhead album art.
