

ECB81-5SL 5-STRING BASS GUITAR STRINGS, LIGHT, 45-132, SUPER LONG SCALE

D'Addario Chromes Bass strings are wound with flattened stainless steel ribbon wire which is polished to an incredibly smooth surface. Delivering a distinctive damped, but tone-rich sound that only flatwounds can produce, D'Addario Chromes are the world's most popular flatwound strings. ECB81-5SL, the 5-string super long version of D'Addario's best-selling Flatwound bass strings, are known for their warm, mellow tone and smooth polished feel. With the addition of a .132 low B, ECB81-5SL Chromes deliver a deep, rich low bottom end which makes them the flat wound choice of Jazz, R&B and Pop musicians. Fits super long scale basses with a string scale length of up to 38 inches.
