

## 0992052000 TBX (TREBLE BASS EXPANDER) TONE CONTROL POTENTIOMETER KIT

The Treble Bass Expander (TBX) is a detented, stacked 250K / 1Meg control that enhances your tonal palette. It functions as a standard tone control from 1 to 5; after 5 it decreases resistance, letting more bass, treble, presence and output flow to your amp. No battery necessary.

Each TBX Tone Control comes with a .022mf capacitor, 1/4 watt resistor, white tone knob, mounting hardware and installation instructions.

## **PRODUCT DETAILS**

## **KEY FEATURES**

250K/1Meg potentiometer
