DIPLOMAT SKYNTONE 14" DRUMHEAD

The Diplomat® Skyntone® features warm tone and soft attack with a calfskin-like look and feel. Constructed with 1-ply of a special surface-treated 5-mil film laminated to a 3-mil polyspun fiber. Diplomat® Skyntone® is ideal for light Concert Snare and Jazz Drumset Snare, Tom & Bass drum applications. Featuring controlled high frequencies and dynamic sensitivity, Diplomat® Skyntone® is the closest synthetic drumhead ever produced compared to traditional calfskin.
