KINGFISH SIGNATURE HUMBUCKER PICKUP SET

Specially designed for the Fender Kingfish Telecaster Deluxe, the Kingfish Signature Humbucker Pickups are custom-voiced to Christone “Kingfish” Ingram’s specifications for growling, overdriven blues-rock, delivering deep, shimmering and dynamic tones. Featuring 4-conductor lead wire for coil splitting options, spanky cleans are a click away from massive searing leads, making these pickups the ultimate musical Swiss army knife.
