SET 200 PLUS NSE - FLIGHTCASE 2X CDJ-200 + 1X 12" MIXER + NOTEBOOK"

The professional Flightcase Set 200 Plus NSE entered the Night Style Edition product range of Zomo, too. The Flightcase is designed for 2 x CD Players like the Pioneer CDJ-200 and 1 x 12 Inch DJ-Mixer as Pioneer DJM-500/600/700/800 and your notebook. Nothing stands in your own light to have a great weekend. Your DJ equipment is secure while you move from one gig to another gig. Even on the stage your DJ matters is well sheltered. Its robust housing offers best protection for your stage devices. The Flightcase 200 Plus NSE can be set up easily. You can push the laptop shelf back and forth as it is required. The Flightcase is built by 9mm laminated plywood and solid aluminum profiles to protect your DJ equipment inside against dust, scratches and other damages. Generally speaking, on one hand it is made of high quality on the other hand its design is absolutely fancy. Sheer genius and totally cool! It's Zomo!
