

EJ20

NICKEL WOUND ELECTRIC GUITAR STRINGS, JAZZ EXTRA LIGHT, 10-49

XL Nickel Wound, D'Addario's most popular electric guitar strings, are precision wound with nickelplated steel onto a carefully drawn, hexagonally shaped, high carbon steel core. The result, strings with long lasting, distinctive bright tone and excellent intonation, is ideal for the widest variety of guitars and musical styles. EJ20, D'Addario's lightest gauge "jazz" set, features a wound 3rd/G string for greater resonance and a tighter feel while retaining much of the playability of lighter gauge sets.
