

SD-530BU

14 X 5,5 - 9 PLIES 100% BUBINGA SNARE

Bubinga is a very peculiar wood, extremely beautiful when it comes to deal with visual appeal and absolutely unique as regards sonic features. This exotic wood delivers very aggressive attack, followed by an amazing sustain, warm and little bit darker tone. If you are looking for the attack of maple and the sustain and depth of mahogany, Bubinga is your choice.

SD-530BU
