

MG-300 MODELING GUITAR PROCESSOR

Dollar-for-dollar, the best multi-efx on the market. Our dream was to develop a compact and versatile multi-efx pedal at the right price. We understand that both beginners and working musicians are looking for compact size and great sound at an affordable price.

This was a big challenge, and we're proud to say we did it!

MG-300

MODELING GUITAR PROCESSOR

PRODUCT DETAILS
