HYBRID SLINKY NICKEL WOUND ELECTRIC GUITAR STRINGS 3-PACK 9/46

Now available in convenient three-set packs Ernie Ball **Hybrid Slinky Electric Strings** are our top selling set, and are favored by many musicians around the globe. These strings are precision manufactured to the highest standards and most exacting specifications to ensure consistency, optimum performance, and long life.

Regular Slinky wound strings are made from nickel plated steel wire wrapped around a hex shaped steel core wire. The plain strings are made of specially tempered tin plated high carbon steel producing a well balanced tone for your guitar.
