

EZ920

85/15 BRONZE ACOUSTIC GUITAR STRINGS, MEDIUM LIGHT, 12-54

85/15 Bronze combines the brilliance of 80/20 bronze with the longer life characteristics of Phosphor Bronze. The 85/15 Bronze wrap wire is precision wound onto a carefully drawn, hexagonally shaped high carbon steel core, resulting in long lasting, bright sounding tone with excellent intonation. EZ920 strings are a D'Addario original hybrid gauge designed for players who want a balance of light gauge high strings for easy bending and medium low strings for heavy strumming.

PRODUCT DETAILS
