STANDARD SERIES JAZZ BASS® NECK 20 MEDIUM JUMBO FRETS MAPLE

Genuine Fender Jazz Bass® guitar maple neck features a comfortable “modern C” profile and 9.5”-radius rosewood or maple fingerboard with 20 medium jumbo frets. Also includes standard truss rod and pre-slotted synthetic bone nut. Tinted satin urethane finish on back for smooth feel, with gloss finish on maple fingerboard and headstock face. Crafted at Fender’s Ensenada, Mexico, manufacturing facility.

This replacement neck is for a Fender or Squier® by Fender bass.

Each nut is pre-slotted with “pilot” string location grooves to make spacing a breeze when performing the final string slot filing. (Please note: Final string slot filing and nut shaping modification is required to ensure proper fit and performance.)

Recommended Tuning Machines:

Standard tuning machines (p/n 0036400000)

Standard Bushings (Set of 4) (p/n 0051532049)

Tuning Machine Mounting Screws (p/n 0011357049)
