

EPS230

PROSTEELS BASS GUITAR STRINGS, HEAVY, 55-110, LONG SCALE

Le corde D'Addario ProSteels, caratterizzate da uno speciale rivestimento in acciaio che permette un timbro con alti brillanti e bassi profondi, creano uno spettro sonoro particolarmente adatto ai generi che richiedono più corposità. Suonate col plettro o con le dita, le ProSteel hanno una marcia in più per uscire dal mix. Il set D'Addario EPS230 presenta la scalatura più pesante della serie ProSteel per basso e offre massimo volume e profondità di timbro. Adatto a bassi con lunga scala, massimo 36" 1/4, è una buona scelta per i musicisti votati il down tuning.
