NICKEL WOUND ELECTRIC GUITAR STRINGS, JAZZ EXTRA LIGHT, 10-49

XL Nickel Wound, le corde D'Addario più popolari per chitarra elettrica, avvolte con precisione in nickelplated steel su un'anima a forma esagonale. Il risultato: corde di lunga durata con caratteristico tono brillante e ottima intonazione, l'ideale per la più ampia varietà di chitarre e stili musicali. Il set EJ20 D'Addario è il più leggero, adatto per lo stile "jazz", presenta una 3°G corda che permette una maggiore risonanza e un tatto più stretto, pur mantenendo gran parte della capacità di suono del set di calibro minore.
